# Kyle Keepsakes

Favours, gifts and stationery - handmade to your requirements.

## Introduction

Kyle Keepsakes is a small family Ayrshire based company that understands how important special occasions can be, no matter if its a birthday, christening, wedding etc. We aim to provide a personal service by making our goods to your own personal requirements.

We are happy to supply our products to all the UK via mail, e-mail and telephone order. For local enquiries (Ayrshire) we are happy to provide home consultations free of charge.

## Stationery Samples

To try and minimise our overheads we do not have a book with sample stationery; a small selection of invites are shown later in this brochure. However, photographs never show you exactly what a product looks like, and therefore if there is a card here that you would be interested in we are happy to make you a customised sample. Please fill in the attached sample request form. Allow 14-21 days for the sample.

We will not charge for 2 different style samples, but if you require more than this we need to apply a fee of £1.50 per additional sample to cover costs.

## Adapting styles to your own requirements

You can change the card styles shown to suit your own taste and requirements. It's possible to mix and match the ideas shown on the examples.

- You may like the rose featured in example 1a, but would like it square as in example 4a, and would like the wording shown in example 77, and would like the main card colour as example 64a.
- You may like Example 62, but wish to change the ribbon to a coloured organza ribbon to match your colour scheme, and you may wish to change the wording to that used in example 8a.

You are welcome for a customised sample using the colours and type of materials you request – just contact us. We will send you a sample along with a personalised quotation. Just detail all the changes you would like to make on the sample request form.

## Card Style and Sizes

We have two main card styles. That of a folded card with an insert sheet of paper detailing all your wedding information inside the card (left). Most card ranges can also be made into a flat card style (right), this is where there is an image/flower etc on one side and all the wedding details on the other. All our cards can have either a straight or deckle edge.

The flat card/postcard style invite is available in the same sizes as the folded cards.

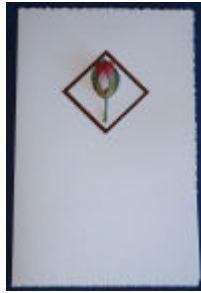

**Scroll Invite** – We have a pre-printed scroll on cream parchment paper which comes with a gold printed celtic knot and border. They come complete with matching gold postal tube. £1.80/invite. The wording on the invite is Wedding Invitation and does not come in evening, but there is a small card evening invite that matches this style £1.50/evening invite. Order of Service, placecards and Thank you cards are also available to match this style.

Alternatively, we have made scrolls using computer generated designs, or plain paper with no border but with a decorative edge. Please contact us if you require this service.

These are examples of the most popular invites that we have made. The style /colour of wording and colours of card, ribbons, feathers, backing papers etc can be changed. Flowers can be altered to different types eg roses, thistles etc. Many ideas can be mixed and matched between invites. Alternatively we can try to make an invite based on your own ideas.

## Prices

We have tried to give each card a price code, but as you can vary the card to your own requirements it is possible the card price may fluctuate according to the changes you make. The price list below is a good guideline for estimating your invitation costs. For a personalised sample & quotation, please contact us.

The prices shown include for the card, printed insert, and envelope. If you feel that you would rather send your invites in special card boxes, these are also available, but cost an extra 50p each. (These are recommended for any invites that need to be sent abroad – small quantities can be purchased for this purpose).

**We highly recommend examples 55, 66 and 67 are sent in boxes as the materials can be damaged in the post if sent in an envelope.**

For all styles - Place cards - 40p each.

## **General Notes**

Since we hand make all our stationery, there is likely to be some variation between each card - this is part of the unique appeal of handmade cards.

This brochure is geared mainly towards weddings, but all cards can be arranged to suit other occasions. Please contact us if you are looking for a specific occasion card.

Our cards tend to use four styles of wording and images:

Printed – these can be in a large variety of colours and fonts; the wording can be changed to suit you e.g. Invitation to Sandra and Paul's Wedding (as example 5)

Hot foil printed – this produces a metallic imprinted wording. Silver, gold and other metallic foils available. The wording, size and style are fixed (as example 8a)

Hand Embossed – These too can be in a variety of colours, but are a set size and style. The wording can not be changed – it can only be: Wedding Invitation, Evening Invitation, Order of Service, Menu, Invitation and Thank You. (as example 14, 17 & 64A)

Raised wording – Comes in a set size, font and wording. The wording available is as that of the hand embossed. The colours available are gold, silver, white, black and multi colour (as example 1)

## Table Plan

Table plans are useful for your guests to see clearly where they are seated. When the wedding is over it can make a nice keepsake of your day, with you being able to remember everyone who was present on your special day. We can make a table plan to match/complement your chosen invite style. This is made on white or cream card. **These cost £15 each**– which you will find is very affordable compared to most companies that specialised in handmade cards. On average other companies will charge £50+ for a table plan.

## Wax packs for Stationery

Custom monogram seal pack – upto 3 initials - includes bells seal, order form for monogram seal which will be posted to you free of charge, 2 sticks of wax £24.99.

Wedding design seal – wedding bell seal, thank you seal, ink pad and two sticks of wax - £19.99

Long Handled design seals £12.99 – includes one seal and one wax stick.

Wax stick packs – 6 sticks £8.99

Available in Mixed colours, gold only, silver only or red only

N.B. Each stick of wax will produce approx 15 seals

## Reply Cards

To encourage your guests to respond to your invites promptly, you can send with the invitations reply cards. These cost 40p each. This cost includes for the card and an envelope with an address label as per the RSVP address.

## Place Cards

If matching the invitations style they are 40p each. Not all our card styles have place cards available, but we do offer the wedding bell design in gold or silver on a place card as an alternative. These cost 30p each.

## Thank you cards/Save the Date Cards

You are likely to receive many gifts for a wedding. To cut down on the amount of letters you will need to write, you can send thank you cards instead. These can contain your own specified wording or as the wording in the example below. The cards will be the same size and cost as your selected invitation style.

Alternatively for a less expensive way of saying thank you we can produce a card similar to the reply card with a silver bell on the left side and the thank you message to the right. These cost 50p each (price includes for envelope).

Also available in this style are Save the date cards – let your guests keep the date of your wedding free by notifying them in advance of your special day – These also cost 50p each (including envelope). Alternatively these could be made as per your invitation style and would be the same cost as a Thank you card in that price code.
